At the Cambria County Historical Society

## Family Portraits In Period Costumes

Saturday, December 2

There will be an open house at the museum from 1:00pm to 4:00pm and from 6:00pm to 8:00pm. Also during that time, a photographer will be available to take family or individual portraits in the Victorian Parlor of the A. W. Buck House in Ebensburg.

You must make an appointment to have your portrait taken. The cost is \$20.00 for a 5" x 7" print. Additionally, we can send your picture to you via email. We do not frame the portraits nor do we turn them into Christmas cards.

The deadline to make an appointment is Thursday November 30, 2006.  
Call Kathy at 472-6674.

***Suggestion for costumes:*** Our supply of costumes will be very limited, especially in all sizes needed. We suggest you come as dressed up as you can. For women we suggest a full-length skirt and a lightly colored blouse. We will have hats, pins, shawls and other accessories. We have some full Victorian dresses (costumes) that are very small (sizes 6, 8, 12) and very fitted. Boys can dress in a snap-down cap, shirt and vest, with pants pulled above the knee and men's socks (as knickers) and dress shoes. Young girls would wear a full dress or a mid-calf length. Men should wear a white shirt and dark pants and leather shoes. We will have some coats, vests and derbies. We also have some stayed collars.

In order to time appointments right, please discuss with Kathy the number of people in your party and how prepared you will be. On average appointments will be ten minutes apart. Thank you!
